

## **Mr. Matheny: 5/3/10**

- This school year is coming to a close very soon and some information that needs to get home: Summer school begins on June 7<sup>th</sup> and will meet until June 25<sup>th</sup>. This is offered to Elmwood students at no cost.
- Reminder to all families of graduating seniors and 8<sup>th</sup> grader for promotion, please refrain from yelling, whistling, and bringing noise makers unto the building during the ceremonies, the students names are read in sequence and a name could be missed if we have any type of noise. After the students are all introduced is the appropriate time to give all the students their due recognition. When the students all slide together at the end of the ceremony is the best time for a group picture and we encourage everyone to come down and take pictures.
- Reminder to everyone No animals are allowed on school grounds or in the building during school hours or activities due to safety reasons unless approved by the administration for educational purposes. This was discussed at a safety workshop I attended this school year.
