

**Elmwood Community
School District #322**

Dear Parents & Students,

I realize the school year is coming quickly to a close but wanted to remind you of the dual credit opportunities still available through ICC. While the students & I talked about this during class registration, some students were uncertain and I just wanted to make sure everyone knew they could still register for these classes through the summer.

The following classes are available for the 2017-2018 school year:

- English 110 (Composition I) – online – needs an ACT of 18/SAT of 380 or take placement test
- English 111 (Composition II) – online - needs an ACT of 18/SAT of 380 or take placement test
- Psychology 110 (Intro to Psyc) – online - needs an ACT of 18/SAT of 380 or take placement test
- Sociology 110 (Intro to Soc) – online - needs an ACT of 18/SAT of 380 or take placement test
- Business 110 (Intro to Business) – online - needs an ACT of 18/SAT of 380 or take placement test
- Health 121 (Medical Terminology) – online - needs an ACT of 18/SAT of 380 or take placement test
- Math 115 (College Algebra) – online interactive pilot class, live sessions Tues, Wed, Thurs 7:00am-7:55am, with independent work required on Monday & 8-12 hrs. outside of class to complete coursework – need an ACT of 25/SAT 580 or take placement test

To register for these classes, students will need to apply online at www.icc.edu as a new student. Once that process is complete, students should send me an email so I can get your registration information to ICC.

The cost for these dual credit courses is \$85/credit hour which includes tuition and book fees. Most of these courses are 3 credit hours with the exception of Math 115 which is 4. Students and families are responsible for the cost of these classes.

Please feel free to contact me with any questions you might have or you may contact Judy Dietrich, our contact at ICC at (309)690-6881 or jdietrich@icc.edu. She has been very helpful to me & is excited to continue helping students earn college credit.

Have a great summer!
Janelle Meyers
